

Teacher Wish Lists

It's easy to set up a Teacher Wish List display that will boost your sales and help out your teachers! Here's how PBC Wish Lists work:

1. Invite teachers to come preview the Book Fair

2. Have each teacher fill out a Teacher Wish List Form, then file it under their last name

3. Encourage shoppers to donate to your school by purchasing books from the wish lists.

4. When an item is purchased, check it off the Wish List & give the purchaser the opportunity to fill out a custom book plate with a personal message.

5. Distribute all donated books to their new homes!
